Employee Spotlight of the Month

Assistant caregiver Tony Peralta, a Tucson native, grew up deeply influenced by his hardworking mother, who instilled in him the value of dedication and perseverance. As the oldest of four siblings, with two sisters and two brothers, Tony learned the importance of family and responsibility early on. While he once dreamed of becoming a barber, his passion now lies in working with residents at The Villas, where he enjoys introducing them to new experiences—whether it's watching movies together or sharing stories from different generations.

Tony finds joy in creating lasting memories with the residents, loving the simple moments of connection they share. In his free time, he enjoys bowling, traveling and indulging in good food. Looking ahead, Tony hopes to start a family of his own one day, and advance into a management position. With his reliability and confidence, he knows he's on the right path to achieving his goals.

Enjoying Family, Friends & Staying Active

Roberta Orduno, a native of Yuma, Arizona, fondly remembers her childhood as the oldest sister of 3. Growing up in a house built by her father, the first sheriff of Yuma County, Roberta cherishes the strong foundation her family gave her. She met her husband, Rudy, at a wedding, where a fun night of dancing with her sisters and his friends sparked their bond. Together, they raised 6 children—Manuel, Andrea, Christina, Dolores, Rudy and Robert—while Roberta stayed home, dedicating her time to their upbringing. She credits her children for being a major influence, watching them pursue their goals and grow into remarkable individuals.

Here at The Villas, Roberta reflects on her life and finds joy in the simple pleasures, such as doing embroidery, creating crafts and playing BINGO. She appreciates the carefree lifestyle, and the warmth of her neighbors and staff. Roberta eagerly looks forward to Christmas every year, reveling in the beauty of the lights and festive celebrations, and we love celebrating each day with her!
