Employee Spotlight of the Month

Assistant Caregiver Claudia Rios joined The Villas nearly a year ago, and she continues to help with her heart and hands, always caring for the residents she adores. Growing up in Nogales, Mexico, she dreamed of becoming a nurse, inspired by the strength of her mother, whom she had lovingly cared for during her battle with cancer. Her first assignment working in Villa F still holds a special place in her heart. "Every day here is special," Claudia says, and she especially enjoys coloring, painting, and crafting with the residents. These quiet, creative moments allow her to connect deeply with each of them, showing affection and love in the simplest ways.

Outside of work, Claudia enjoys life's little pleasures. She has a small, but cherished, family—her child and a sister—whom she visits often. On her days off, she finds peace in park walks and laughter with friends over a good meal. Looking ahead, Claudia sees a bright future, continuing to learn and grow within the company she loves, and she takes pride in being honest and trustworthy.

February 2025

Always Faithful, Kind and Creative

Jean Porter moved into The Villas in 2022, bringing with her a lifetime of stories and wisdom. Growing up, she was mesmerized by the invention of television, and her favorite movie was *Gone with the Wind*. Jean's parents, Edward and Appanele, were hardworking and faithful people. Her mother, who worked at a grocery store, was her greatest influence, instilling in her the values of faith and resilience. It was these values that guided Jean throughout her life. When Jean met her husband, it was love at first sight. They eloped in a whirlwind romance, opting for a simple, heartfelt ceremony. The best day of her life came shortly after when she held her first child in her arms—a moment that solidified her greatest pride: her family.

Jean often shares her advice with others. "Get involved with your church," she says, "and live your life to the fullest." At The Villas, she's found joy in the kindness of the staff and the daily care they provide. Her favorite activities include Bingo and crafting, which bring her a sense of fun and creativity.
